ABOUT ME

Date of birth; JULY 21, 1998
Gender; Male
Nationality; Tanzanian
Address; P.O.BOX 12120 DAR ES SALAAM

I'm an aspiring Automation Engineer. Passionate about Systems Integration involving Web Development, SCADA/HMI/PLC Application Development. I possess programing knowledge of major brands including Siemens, Rockwell Automation and Panasonic. I also leverage on the use of HTML, CSS, JavaScript (Node-Red) and Python.

WORK EXPERIENCE

TECHNICIAN AT BITLYNX CONTROL LIMITED.
JUNE 2024 – NOW

Duty and responsibilities.

- System Installation: Set up and install automation systems, control panels, and equipment in various industrial environments.
- Maintenance & Repair: Perform routine maintenance, troubleshooting, and repair of electrical, pneumatic, and hydraulic systems.
- System Integration: Work on integrating new hardware and software with existing industrial systems to improve efficiency.
- Technical Support: Provide on-site or remote support to clients, helping solve technical issues and ensuring smooth operations.
- Testing & Calibration: Test equipment and systems to ensure they are functioning correctly, and calibrate them to meet operational standards.
- Training: Educate clients on the proper use and maintenance of their equipment and systems.
